»... TOREJ MISLIŠ, DA VEŠ VSE?«
za ozaveščanje mladih o Evropi

Modul za delavnice
»...Torej misliš, da veš vse?«
je del serije modulov delavnic, ki jih
Eurodesk Slovenija razvija od leta
2008 dalje, z namenom mladim
na neformalen način približati
evropske teme, jih spodbujati v večji
participaciji v družbi in jim predstaviti
evropske možnosti za mobilnost.

V letu 2017 je Eurodesk Slovenija združil module v poenoteno vsebinsko strukturo in grafično podobo. Na ta način so moduli še enostavnejši za uporabo in se jih lahko uporabi, glede na trenutne potrebe. V prihodnjih letih bodo razviti moduli na nove aktualne teme, povezane s splošnim konceptom delavnic.
