analysis of European
youth programmes

Online Panel

Recommendations for the next programme generation

Insights from RAY research

Tuesday, 28 September 2021, 15:45-17:00 CEST

Research-based
analysis of European
youth programmes

INVITATION

The European youth research network RAY is inviting to a panel discussion - join us!

WHEN? 28 September 2021 from 15:45 to 17:00 CEST

WHAT? Recommendations for the next programme generation

Insights from RAY research

What can the research tell us about the past 7 years and in terms of pathways for the new programme generation? Which changes seem crucial for the EU youth programmes? Which insights for the next 7 years can be drawn from RAY research?

WHO? National RAY researchers & members of the RAY transnational research team (will be announced on our social media pages & website)

WHERE? Live stream

More information: <https://www.researchyouth.net/panel>
